

LONDON NOTICE No. 2730

ISSUE DATE: 10 January 2006
EFFECTIVE DATE: 10 January 2006

WHITE SUGAR FUTURES CONTRACT (EXCHANGE CONTRACT NO. 407)

FREIGHT DIFFERENTIALS – MARCH 2006 DELIVERY MONTH

Executive Summary

This Notice informs members of freight differentials that are applicable to deliveries at non-European designated ports in respect of the March 2006 delivery month of the White Sugar Futures Contract.

1. In accordance with term 9.01 of the White Sugar Futures Contract, the Board has determined a freight differential for each of the ports listed pursuant to term 2.02 which is not a European port.
2. The revised freight differentials are set out in the Attachment to this Notice and shall apply in respect of the March 2006 delivery month.
3. Members should note that the freight differentials take no account of any war risk insurance premia which may be applied.

The following are tenderable ports within the European base range of the Contract: Amsterdam, Antwerp, Bilbao, Bremen, Cadiz, Calais, Delfzijl, Dunkirk, Eemshaven, Flushing, Gdansk, Gijon, Gdynia, Hamburg, Immingham, Le Havre, Leixoes, Lisbon, Marseilles, Rostock, Rotterdam, Rouen, Santander, Szczecin and Zeebrugge.

The freight differentials are expressed in U.S. Dollars and Cents per tonne. In respect of the price that a Seller receives when making a tender at a port where a differential applies, a positive differential will result in a reduction in the invoicing amount while a negative differential will result in an increase in the invoicing amount.
