

LONDON NOTICE No. 2883

ISSUE DATE: 24 April 2007
EFFECTIVE DATE: 30 April 2007

**OPTION CONTRACT ON EQUITY SHARES
(DENOMINATED IN STERLING)
(EXCHANGE CONTRACT NO. 201)**

BLOCK TRADE FACILITY

**UPDATE OF BLOCK TRADE MINIMUM VOLUME THRESHOLDS FOR LONDON
INDIVIDUAL EQUITY OPTION CONTRACTS**

Executive Summary

This Notice notifies members of updated Block Trade minimum volume thresholds in respect of standard Individual Equity Options Contracts based on UK securities.

1. Members are advised that the Exchange has updated the Block Trade minimum volume thresholds for standard UK Individual Equity Options Contracts to take into account changes in the cash market of the underlying securities.
2. Details of the updated Block Trade minimum volume thresholds for standard Individual Equity Option Contracts based on UK securities are contained in the Attachments to this Notice. In summary, 4 thresholds have increased in terms of the number of lots, 9 have reduced and 77 have remained unchanged. The updated thresholds will be implemented on Monday 30 April 2007.
3. An updated copy of Annexe 3 to the Euronext.liffe Trading Procedures will be made available on the Euronext website (www.euronext.com) and in the London Market Handbook in due course.

Minimum Volume Thresholds for Individual Equity Options

There are four bands: **500, 1,000, 2,000 and 5,000 lots**. Each contract is assigned to one of these bands based on the liquidity of the underlying security. (N.B. It is not intended that a change in the liquidity of the underlying security will automatically lead to a change in the threshold for a particular option contract.)
